"We encourage women to take leadership roles in solving problems, forming action committees, raising funds, developing programs and speaking out on behalf of those residents who need a voice." Membership in the committee is \$10 per year, but the July 1 event —

which also serves as a fund-raiser for the committee — is \$35 per person. Special guests for the event include recently elected state Rep. Thomas H. Killian, R-168 of Middletown and Mary Alice Brennan. Those interested in attending should contact Committee Treasurer Carol Miller at 610-566-9375. — Anthony J. Sanfilippo

**HOCKESSIN WALK-IN MEDICAL CARE**  
Lantana Square Shopping Center  
Hockessin, DE

On April 7, 2003, Dr. Vincent and Nasia Schaller opened the doors of Hockessin Walk-In Medical Care in Hockessin, DE. Located in the Lantana Square Shopping Center, Hockessin Walk-In Medical Care provides state of the art, immediate medical care for people of all ages. The medical center provides on site x-rays, EKG's, cardiac telemetry, respiratory treatments, stat labs, suturing, etc. Conveniently open everyday including weekends and holidays, Hockessin Walk-In Medical Care is here to address the medical needs of the surrounding communities of Avondale, Chadds Ford, Kennett Square, as well as Hockessin, Greenville, and Mill Creek.  
When patients enter the medical center, they find themselves in a clean and bright waiting room complete with a children's toy area. The friendly front office staff greets patients in a timely and efficient manner. Vincent Schaller, M.D. is a board certified physician with over ten years of experience, including in-patient and out-patient medicine, as well as ER, pediatrics, and gynecology. His careful and complete examinations combined with his friendly bedside manner have earned him the respect of both doctors and patients in Delaware, New Jersey, and Pennsylvania. Caring and knowledgeable nurses and radiology technicians aid Dr. Schaller in assessing and treating patients. After Dr. Schaller sees a patient, his staff immediately faxes a full report to the patient's primary care physician, thus ensuring each patient a continuity of care. Patients also have the convenience of a splinting and casting room with a wide variety of orthopedic supplies on site. Furthermore, if necessary, Hockessin Walk-In Medical Care will provide direct referrals to specialists, as well as direct transport to the ER or hospital of the patient's choice.

**Dr. Vincent and Nasia Schaller**  
Keeping in mind people's busy schedules with work, school, and family, Vincent and Nasia Schaller have created a clean and friendly environment where excellent medical care is administered promptly. Hockessin Walk-In Medical Care is open Monday through Saturday from 12 noon to 8 pm and Sunday from 12 noon to 5 pm, and of course, no appointments are necessary.  
While we wish everyone in our communities a safe and healthy summer, remember that we are here when you need us... just walk in.
